Great Work For Her Sex Pointed Out By Noted California Woman

Mrs. John Bidwell, Now Visitor In Honolulu Interested In Club-Endeavor Along Sincere Lines—Comments on Honolulu

One of California's best-known and best-loved women, Mrs. John Bidwell, of Chico, is visiting Honolulu now, and an hour spent with her recently shows why she is so universally loved and why she is one of the Golden State's gracious "grande dames."

Her one thought seems to be to aid others and the greater part of her time is spent helping those who are in need of help. There are many young women, who today are very grateful for the benefits, spiritual, moral, and financial, that they have received at the hands of this generous little lady. Do not think for a moment that Mrs. Bidwell herself told me of the things which she has done, for she is very modest and reticent about telling her part in this sort of work.

Had I not been told that Mrs. Bidwell was kind and lovely I should never have had the courage to go up to her room in the Moana, when she accorded me this interview. Some of the lady tourists who are interviewed here come downstairs and in abrupt tones ask the reporter what he or she wants and then in a few short sentences answer their questions. Mrs. Bidwell, however, proved to be an exception. She is a little lady with snow white hair, deep gray eyes and the softest of white skin and her manners are so gentle that no one could possibly be afraid of her.

Mrs. Bidwell was very pleased with Honolulu and when asked what she thought of the place she said "Honolulu is the most beautiful and restful resort that I have ever visited and I have visited a good many of them in my travels." She was much impressed with the volcano in its wonderful beauty. "Our trip to Hawaii," said she, "was delightful, and the drive through the forest of ferns was far more beautiful than our imagination had pictured. We have not had one disappointment during our visit to the islands and our trip has been one succession of delightful surprises." Mrs. Bidwell and her party like all other tourists went around the island and in speaking of it she said, "our trip around the island was a great surprise, in what has been done by God and man, in the wonderful scenery and the cultivation and products of the soil." The party visited some of the sugar plantations and as the mills were closed were unable to see the different processes through which the cane goes, before it is shipped. At the pineapple plantation, however, fortune favored them. There in charge of the Libby, McNeill & Libby cannery showed them how the pines are prepared for market. The cleanliness in this cannery and efficiency with which the work is carried on seemed to impress these people more than anything else.

Interested in Mission Work. Mrs. Bidwell is greatly interested in all mission work, and the little time she had to spend in Honolulu after she had found where some of the missions were, was spent visiting them. "I thought in vain for published notices of the mission stations but found none, as they were not in the hotel, and the people of whom I inquired regarding them, were themselves strangers, and could give me no information," she said.

"Our Personal Guarantee to all Skin Sufferers"

We have been in business in this town for some time, and we are looking to build up trade by always advising our patrons right.

So when we tell you that we have found the eczema remedy and that we stand back of it with the manufacturer's iron clad guarantee, backed by ourselves you can depend upon it that we give our advice not in order to sell a few bottles of medicine to skin sufferers, but because we know how it will help our business if we help our patrons.

We keep in stock and sell all the well known skin remedies. But we will say this: If you are suffering from any kind of skin trouble, eczema, psoriasis, rash or better, we want you to try a full size bottle of D. D. D. Prescription. And, if it does not do the work, this

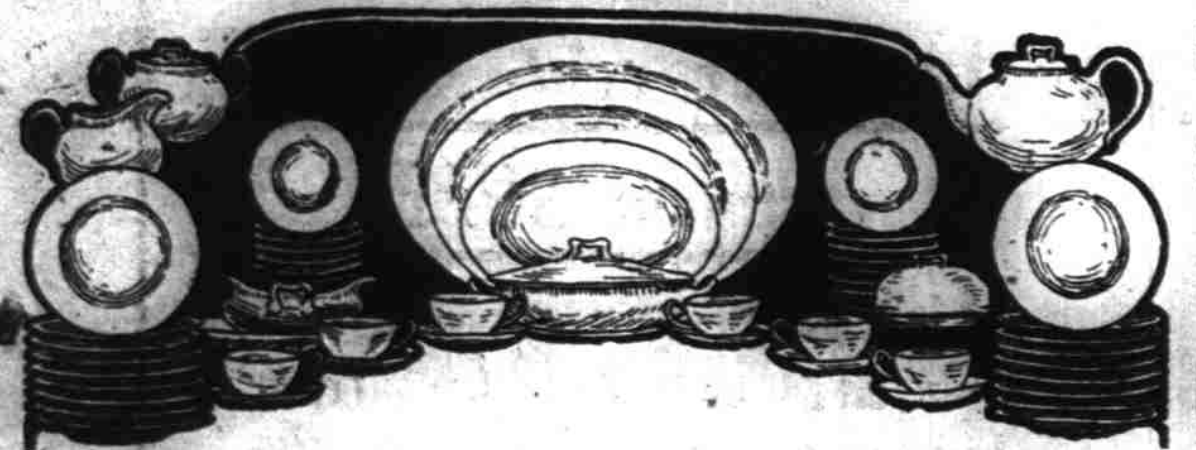

bottle will cost you nothing. You alone to judge.

Again and again we have seen how a few drops of this simple wash applied to the skin, takes away the itch, instantly. And the cures all seem to be permanent.

D. D. D. Prescription made by the D. D. D. Laboratories of Chicago, is composed of thymol, glycerine, oil of wintergreen and other healing, soothing, cooling ingredients. And if you are just crazy with itch, you will feel soothed and cooled, the itch absolutely washed away the moment you applied this D. D. D.

We have made fast friends of more than one family by recommending this remedy to a skin sufferer here and there and we want you to try it now on our positive no-pay guarantee.

"It grieves me that so many intellectually grand women of charming personality waste tremendous God-given power at games of chance for the obtaining of some bauble which they would consider too insignificant to purchase themselves, but which gains value in their eyes from the chance element which is inherent in the human heart, good and bad. I believe that the whole problem of saving the boys from gambling dens would be solved if mothers would banish this element from their social life. Surely the prize of saving the boys would be worth any self denial it appreciated, and would far exceed any gratification derived from a game of chance."

As I rose to leave Mrs. Bidwell stopped me and said, "Before I leave I want to say that we have enjoyed the Moana Hotel in all its refinement and rest."

MRS. ENA WINS DOWER RIGHTS

After a five years' legal struggle to obtain her dower rights, Mrs. Maria K. Ena, widow of the late John Ena, former president of the Inter-Island Steam Navigation Company, yesterday won her case, when Circuit Judge Cooper, in a decision given from the bench, granted her \$37,000, of which \$5000 is to be paid down and the remainder at \$5000 per annum, with 7 per cent. interest on deferred payments.

On the death of Mr. Ena, who was a prominent figure in Hawaii in the early days, an estate of \$188,000 was left, with a will providing that after all debts were paid the estate was to be divided equally between the widow and seven children. This gave the widow only \$3000 a year, much less than she would receive under the dower, and she immediately began suit to establish her dower rights. The Hawaiian Trust Company and Rev. Father Valentin, trustees under the will, were made defendants.

The widow now resides at Pasadena, Cal., and Attorney C. F. Peterson represented her in court yesterday. Attorney Marx, representing the defendants, has been granted time to determine the method of payment.

WOMAN'S SUFFRAGE LUAU IS CHANGED

The Hawaiian luau, which was to have been given by the Woman's Suffrage Association of Hawaii (non-political), at Aala park on Saturday, August 31, from 1 o'clock p. m. to 5 o'clock p. m., has been changed to the Hawaiian armory, mauka of the executive grounds, on the same date and time.

Dowsett, honorary president; Mrs. Manuel Reis, Mrs. Sera Ka-ii, president; Mrs. Iwa Phenui, president of the Laie suffrage society; Mrs. M. Ka'alaikau, vice president; Mrs. Cecilia K. Sharpe, secretary; Miss E. K. Poepeo, Mrs. J. H. TWENTY-SIX MILLIONS MAY VOTE FOR PRESIDENT

NEW YORK, N. Y., Aug. 20.—Nearly five million new voters are expected to appear at the polls this year, according to an estimate prepared here for the Republican national committee. There will be 3,650,000 male voters enfranchised by age alone, and 1,350,000 women and newly naturalized citizens. There will be 24,332,200 male voters. The number of women is estimated at 1,667,000, making a total approximately of 25,000,000 persons who may vote for president. In 1908 there were 22,261,500 eligible voters and the number of votes cast was 14,888,442.

By a compromise between the senate and the house, Annie R. Schley, widow of Rear Admiral Schley, will get a pension of \$100 a month. The house wanted the figure fixed at \$15 and the senate at \$150.

RECREATIONS

AT THE OPERA HOUSE.

"The Campus" tonight and at the matinee Saturday, and then "Mr. O. Joy" for a spell. Such is the program laid out by the Ferris Hartman Opera Company at the Hawaii Opera House, where Hartman and his pretty girls and clever actors have been making a great, big, enduring hit with the people of Honolulu. "The Campus," written by Walter De Leon, who, also, as everyone knows by this time, appears as the leading character in his own playlet, is one of the best of the many college operas and plays that have held the stage from time to time in the last decade.

BAND CONCERT.

The Hawaiian Band will give a public moonlight concert this evening at the Seaside hotel at 7:30 o'clock. The program: Overture: Italian in Algiers. Rossini Intermezzo: Evening Chimes. Rollinson March: Oh, You Beautiful Doll. Moret Hawaiian Songs by the Band Quintet Selection: The Newly Weds. O'Hare Waltz: La Source. Waldeufel Finale: Red and Black. Coote The Star Spangled Banner.

J. A. Howells, a brother of William Dean Howells, the novelist, died at Auburndale, Fla. He was 74 years old.
